Bernadette's Blog Operation Christmas Child

On Wednesday, our shoeboxes were collected by the people from the charity, Samaritan's Purse.

They were absolutely thrilled with the

127

Shoeboxes which you have very generously contributed this year.

A huge "Thank you!" to each and every one of you.

In the afternoon, Mrs McGuigan and Mrs Milner took some children from each Key Stage down to the Operation Christmas Child depot, so that they could see what happens with their parcels after they leave us.

Advent Begins and Cribbs will Travel

This Sunday, will be the First Sunday of Advent.

This is the time of year when we, as a Church begin to prepare for the Coming of Jesus at Christmas.

Many of our children will enjoy opening doors on their Advent Calendars very soon.

Here at school, we want to share with you some of our Mission Value of Joy this Advent and we shall be sending a little joy hidden behind an Advent Door each day.

We shall also be sending home our

Travelling Cribbs.

Look out for a letter on Monday.

These are a well loved tradition and a great way to share the true meaning of Christmas with your child.

We would love to see them being used at home-so if you like-email a

photo to:

The first Advent candle, also known as the Bethlehem candle, is called the candle of:

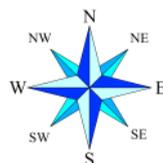

Hope

Year 1/2 can travel too!

Year 1/2 will be able to travel as well as our Travelling Cribbs soon.

They have been busy this week learning how to read the points of the compass. They would easily find their way to Bethlehem! now!

7000 Books Before Summer!

Our Reading Challenge

Research shows that reading for pleasure has a positive impact on children's progress in vocabulary, spelling and even mathematics.

This year at St Bernadette's R.C. Primary School, we are setting a reading challenge for pupils in years one to six to read '7000 Books Before Summer'! Every time your child completes a reading book and has their reading log completed they will earn a raffle ticket. The school is aiming to read more than 7000 books before we break up for summer.

Rewards:

When children read a book, they earn a raffle ticket. A ticket is drawn out of the box in Friday's celebration assembly - the lucky winner from each class gets to sit on the **Wonderful Readers** lunch table on a Monday which has special perks.

Phase competitions - Each week, every class will record the number of books read in their class on the **school book worm**. As every class will have a colour, it will make it obvious to see which class is reading the most, hence creating an inter-phase competition.

At the end of each half term the class in each phase that has read the most books will get a small **treat**. This may be an extra-long play time, hot chocolate and story, or a Lego session. The class can decide.

Children have the long term incentive that if they reach the whole school book target they will be able to take part in a treat day at the end of the year.

How can you help?

By listening to, supporting and encouraging your child to read as much as possible and signing the children's home school reading diaries. Supplementing the reading of school books with books from home and also including these in their home school readers.

Updates

I will be posting updates of how our school's book count is progressing via the school blog at the end of each term.

Thank you for your support.

Mrs Walker Literacy Co-ordinator

Our 7000 Books Bookworm has begun to grow already!

Can you help us give our bookworm a name? Write your idea on piece of paper with your own name and class and hand it to Mrs Walker before next Friday.

Medication Procedure

May we ask that parents and carers do not send medicated cough sweets to school with their children. We have been informed that these have to be classed as medicine and only medicine prescribed by a doctor may be administered in school. As you know all prescribed medicines must be taken to the office and a form filled out by the parent.

Many thanks.

Breakfast Club Request

Parents and Carers using the Breakfast Club are reminded that **Friday evening at the end of the school day** is the cut off time for registering your child for Breakfast Club for the following week. We are still having people phoning the office at the last moment to book their child in. This makes running the club efficiently very difficult regarding staffing and food. We understand there are emergencies but would really appreciate your co-operation in this matter. Many thanks!
