

## Literacy

This half term our work will be based around the theme of a 'losing' tale.

We will cover the following:

- Narrative- writing our own 'losing' stories using Talk 4 Writing.
- Explanation texts- understanding the features of explanations will help the children design their own machine which prevents things from getting lost.
- Persuasion- children will explore the features, language and paragraph organisation of persuasive texts before writing their own persuasive letter.

## YEAR 3 - Summer 2 Stewardship of Creation

## Reading

Within class and during our literacy lessons we will be reading 'The Lorax' by Dr Seuss.

In addition, reading activities will take place regularly. The children will also continue to read one or two books weekly from the ORT/Project X schemes.

## R.E.

As a Catholic school we follow the diocesan scheme of work, 'Come and See'.

Topics this term include:

Universal Church- God's People.

We shall be studying ordinary people who do extraordinary things, The Communion of Saints and looking at the lives of Martin Luther King, St Bernadette, Mother Teresa and Oscar Romero.

## Spelling

We will continue covering spelling patterns during our basic skills lessons and handwriting practice. We will begin by studying patterns including: -ous, -ious, -ly, -al, -ure and include KS2 high frequency words.

## Science

This term the children will complete a unit of work about **Living things and their Habitats**.

During this topic, children will continue their work on classification keys. We will also explore and recognise that environments can change due to human activity and this can sometimes pose dangers to living things.

## Numeracy

We will complete our work with money before progressing to look at measures. We will measure, compare, add and subtract: (volume/capacity (l/ml) and convert between different units of measure.

Children will then have time to revise previous learning focussing upon the operations and building upon their reasoning and problem-solving skills.

## Grammar and Punctuation

Spelling, grammar and punctuation will be covered during our weekly basic skills lessons, linked to our literacy work/topic.

We will begin by looking at clauses and different sentence structures (complex, compound and short) and will begin to look at subordinate clauses.

## Humanities

Our 'Riotous Royalty' topic will investigate William the Conqueror's reign from 1066 onwards, how King John made himself very unpopular as monarch and why King Henry VIII married so many times. We will also explore who Queen Anne was, what Queen Victoria achieved during her reign and look at the role of the British monarchy today.

## **French**

### **All about me topic**

Children will be able to respond to simple classroom commands; use spoken French to meet and greet others and learn about the French school day; begin to recognise, read and pronounce set phrases about school subjects and preferences. They will learn about the parts of the body, colours and clothes.

## **YEAR 3- Summer 2**

## **Computing**

We will begin this half term with an introduction to using presentation software. We will understand how to create presentations and use our basic skills to create a presentation in line with our Religious Education topic.

## **Art/DT**

During this half term we will focus on printing techniques, looking at the work of William Morris before creating our own printing blocks. Linking with our literacy work, the children will design, create and finally produce an explanation on how to use a machine which prevents things getting lost.

## **Extra Curricular Opportunities**

There are a variety of extra curricular activities for children at St Bernadette's. Please see an up to date list of what is currently being offered on our website.

## **Useful websites**

**Science**-<http://www.bbc.co.uk/newsround/42810179>

**History**-[http://www.bbc.co.uk/schools/primaryhistory/famouspeople/elizabeth\\_ii/](http://www.bbc.co.uk/schools/primaryhistory/famouspeople/elizabeth_ii/)

## **P.E.**

This term we will be teaching the skills needed in athletics. Both indoor and outdoor PE lessons will focus on coordination, running techniques and throwing and jumping skills. We will put these skills to good use in our future sporting events. Rounders will also be taught and we will practise throwing, catching and fielding skills during our lessons.

## **PSHCE**

We are covering the topic of 'Looking after the Wider World' The children will talk and write about their opinions, and explain their views on issues that affect themselves and society concerning plastic pollution.

## **Homework**

1 piece of maths or English homework will be sent home on a Thursday to be returned the following Tuesday. In addition to this, it would be beneficial for your children to practice learning to read the time.

## **Educational visits and outdoor learning**

We will notify you of any educational visits via Parentmail.
