Staff development and sustainability						
Objective	Activity	Projected Cost	Impact			
To increase the confidence, knowledge and skills of all staff in teaching PE and sporting activities	Employ a PE apprentice to support all teachers with planning and delivering high quality PE lessons (Jan '16-July '16) Release time for PE lead to develop a more collaborative, strategic approach to long term plans for PE ensuring a whole school, progressive approach to teaching identified skills. This involved recruiting 'experts' to launch each new sport to	£5,000 £300	Providing 2 adults in PE lessons allowed teachers opportunities to develop pupils' knowledge and skills. The apprentice was deployed to support and develop the skills of lunchtime supervisors in getting children more active at lunchtimes through training them in developing a range of games and activities. Staff continue to implement a range of physical activities during lunchtime. School now have a comprehensive, strategic approach to the planning of PE. Each term introduces a new set of skills thus ensuring progression across the school. Sports coaches are recruited at the start of each term and there			
	develop confidence and understanding among staff. Employ two GB Olympic volleyball coaches to deliver a day of volleyball lessons for all year groups and	£400	is big PE day to instil a sense of excitement for pupils and staff. Coaches work with each class and the class teachers followed by a staff training session to support planning across the term. This whole school approach to planning PE lessons, lead initially by an expert has developed

Additional opportunities for pupils						
Objective	Activity	Projected Cost	Impact			
To provide a broader range of additional sports clubs for children across the school	PE apprentice to work alongside identified members of staff to deliver 'Change4Life' sports clubs before school	Included in £5,000 previously listed	Staff will work with PE apprentice on a rota basis in order that they are confident to plan and deliver the 'Change4Life' club			
	Transport costs to tournaments and sailing club	£750	Children were able to access sporting activities which they would not normally get.			
	Hire a judo coach to provide an after school club	£290	Children able to access and experience a club they wouldn't normally. Although school and judo coach sign-posted pupils and their parents to the private club, there was no uptake. Therefore, we will continue to provide this club so pupils have the experience in school.			
	Pay for kitchen staff and 2 members of teaching staff to provide a healthy living cookery club after school	£300	The club provided a platform for school staff to promote healthy eating and healthy lifestyles. Each group learnt how to make 7 healthy recipes.			
	Children in upper key stage 2 attend sailing sessions in the Summer Term at local sailing club	£500	In order to provide OAA, we supplement our annual trip to High Borrans with additional opportunities for our pupils which include a day's sailing. This provides an opportunity which our children may not access independently.			

Resources						
Objective	Activity	Projected Cost	Projected impact			
To ensure that school has appropriate resources to provide high quality provision for PE and sporting activities	Purchase nets and balls in order to deliver the games curriculum through volleyball	£210	High quality resources have enabled staff to deliver whole class lessons where all children are included. Resources purchased allow for differentiation across the school too e.g. extendable nets, a range of sizes in bats and balls etc			
	Purchase 5 x Change4Life equipment bags in order to plan for whole class lessons and before school club	£200
